Social Committee Updates

On Saturday, June 11th at 11 am on Twilight Drive the Meridian Social Committee hosted the 3rd Annual Block Party! This year was a hot one, so the water activities were a big hit!

There was an 18' Jungle Wave Slide, Beat The Bucket, Jousting, Baby Pools with water guns & soakers, Bubbles, Jump Ropes, Sidewalk Chalk and Tattoos!

Cookies, Sno Cones and drinks were served. It was BYOP (Bring your own Picnic) this year.

This was the first Social Event ever to be attended by all five current serving Board Members! The Social Committee was happy to have them all there in attendance and pitching in to help as well!

Saturday, July 16th was the first Adult Bowling Night at Lakes Lanes Bowling in The Colony. Seventeen residents came out to enjoy two hours of bowling, shoe rental, pizza, sodas, socializing and fun!

All who attended did bowl at least one game. The teams were randomly drawn, so that there were two males and two females per team and no one was with their spouse.

All were there for a little fun, but there was some friendly competing going on as well. Attendees were from age 20 to almost 70!

Everyone spent some time with at least one new neighbor. Plans for future bowling events are being worked on!

Crime Watch Committee Updates

The Crime Watch Committee is happy to announce they have a new Chairperson. Vishal Kulshrestha was appointed by the Board to replace Shrihari Sathaye, who was voted on to the new Board of Directors.

Vishal was already on the committee as a block captain, so he is familiar with the role, the action

items and the committee members. Thank you to him for volunteering.

His first big task is working with a few other block captains and the board members to get six home owners to approve having these signs put on their property. Speeding is always an issue and concern in our community.

Hopefully, these signs will slow people down.
