## Park Ribbon Cutting & Block Party, May 5th

On Saturday, May 5th the Easthill Park just outside our community was filled with Meridian Residents, City Employees, the Mayor and many others to celebrate "our park"!

The Meridian Social Committee worked closely with the City of Lewisville to plan this event and deemed it to be the 4th Annual Block Party as well.

Hoping that by having it a month earlier than past years it would be cooler,

but no such luck! It was almost 90 degrees and a beautiful warm & sunny day! The breeze, which causes heartache with other things was welcomed.

Beef Hot Dogs, Veggie Samosas, Fruit, Chips, Cookies and Drinks were available to all who attended.

Besides the play structures & swings there was an obstacle course, bounce house, soccer shootout, Frisbee golf and more!

◀ This picture is the official Ribbon Cutting that was held to mark that the Phase 1 of the park is officially completed and it is open.

The Crime Watch Committee had a table for Meridian Residents to 'check in' and collect a Raffle Ticket. The wonderful prizes are listed to the left.

If you have not been over to visit The City of Lewisville's Easthill Park, please do so!

There is a parking lot off of Lakeridge or you can walk the path off of Safe Harbor Drive from inside your community.

Thanks again to the City of Lewisville & the Social Committee for putting on a fantastic event!

## President's Final Pen—Saul Freedenberg

As my term is over it has been a privilege to serve on the HOA Board of Directors. I have been involved with the HOA for the last five years.

I have seen many changes and improvements, but I feel the one common thing is people helping

people. There is still work to be done and volunteering is a good way to help your community.

For all the people who have helped out over the years I truly thank you! We could not do all we have done with out you.

To others who have thought about volunteering but think you do not have the time or experience, think again. Take two hours a month and help out. You will find that you get to meet some great people, learn so much about your community and the people in it.

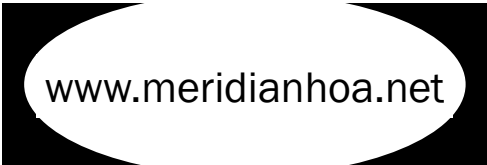

Again, thank you for your support over the years and thank you to the committees for everything you do. We would not have such a great community with out each of you!

Meridian HOA President
